Subject: Application form for Non-statutory unemployment benefit

Dear Sir/Madam,

Please find enclosed the application form for requesting the non-statutory unemployment benefit (referred to as the 'BW benefit'). You can use this form if you became unemployed on or after January 1, 2014 and your employment is not terminated due to a reorganization of which the reorganization plan is set before January 1, 2014.

Part of the application form should be filled in by you, and the rest by your employer. Use the enclosed checklist to ensure that your application is complete before submitting the form. Also, make sure to sign the form. Please send your application form and the required accompanying documents to:

Raet BPO Uitkeringsadministraties, Antwoordnummer 46472, 1060 WD Amsterdam

Please make sure that your application is complete and submitted on time. If your application is incomplete or late, your BW benefit may be temporarily reduced as a result.

If you need more space for your answers or if you wish to include further comments, you can add these on a separate sheet of paper. Be sure to write your name and your citizen's identification number (BSN) on this sheet.

Because the amount of your BW benefit is based on the level of your state unemployment benefit (referred to as the 'WW benefit'), Raet uses the same information that you provide to the UWV. This means that you must also send Raet a copy of all of your correspondence with the UWV.

Raet checks the information you provide to us with the UWV. If we find discrepancies or if you have provided incorrect or incomplete information, this may have consequences for your benefit.

If you have questions about the non-statutory benefit regulations or the application form, please contact us at tel. 088 – 230 26 50 on workdays between 9:00 am and 12:30 pm.

Kind regards,

Raet BPO Uitkeringsadministraties

Checklist of documents to be submitted (to be filled in by the employee)

Unemployment benefit

- Copy of decision to grant the unemployment benefit
- Copies of other correspondence from the UWV (do not submit copies of payment specifications)

Explanation

If you have not yet received the decision to grant an unemployment benefit from the UWV, you must submit this as soon as you received it. Your non-statutory benefit cannot be finalised until Raet receives the decision statement issued by the UWV.

Personal details

- Copy of valid ID document (passport or ID card; your driving license is not a valid form of ID)

Job immediately prior to your unemployment

- Documentary evidence from your last employer confirming the start and end dates of your employment (This can be, for example: a copy of your employment contract, deed of appointment, deed of dismissal)
- Copy of most recent salary specification

Other activities and income

- Documentary evidence of your other activities and income (employment contracts, salary specifications, benefit specifications, etc.)
- If you work varying hours: overview of the hours you worked per calendar week in the 27 weeks prior to your unemployment
- If you are self-employed: a copy of your registration at the Chamber of Commerce

Length of employment

- Copy of employment contract(s), deed(s) of appointment, deed(s) of dismissal from your previous jobs in education or at BWNU organisations

Explanation

Only send these documents if you have answered "Yes" to questions 4.1. and 4.2 on the application form.

Your length of employment is important to determine whether you are eligible for a consecutive benefit.

The length of employment is counted for this purpose, if the time was spent:

1. in a job within the sectors of primary education, secondary education (VO), education and vocational training (BO), senior vocational education (HBO), research institutions, university education (WO) and academic hospitals, or
2. in a job with another employer designated by the parties in the Adherence Decision (*Volgersbesluit*, see BWNU regulation), or
3. in a job with a legal predecessor of an organisation as referred to under points 1 or 2.

The periods between the jobs may not exceed 14 months. If one of these interim periods is more than 14 months, then the previous employment period does not count for the assessment of whether you are eligible for a consecutive benefit. In this case, you also do not have to send in any proof of this previous job.

If you no longer have proof or documents for a certain period, then ask the employer in question for a statement that shows when you were employed there. Do not send in annual income statements.

Other

- Request form for application of statutory wage deductions (model opgaaf gegevens voor de loonheffing)

Explanation

If you do not send this form in, Raet will not apply a wage deduction credit to your BW benefit. You can only apply the wage deduction credit to a single source of income. If you already apply it to your unemployment benefit, you do not have to send in this form.

Make sure that you have included your citizen's identification (BSN) number on all documents enclosed.
